Chairman Resigns

JOHN FIELD SUBMITS RESIGNATION

Mattapoisett Selectman John Field of Mattapoisett Neck has formally resigned as a member of the Board of Selectmen. Mr. Field is, and has been for some time, engaged in another part of the State. Selectmen William Hubbard and Donald Linhares received the following letter from Mr. Field:

"To Whom it May Concern:

I, John Field, do hereby submit my resignation as a member of the Board of Selectmen. Said resignation is to be effective as of July 25, 1973.

John Field"

Mr. Linhares and Mr. Hubbard voted to set a special election for September 11th to fill the vacancy.

In an earlier informal letter of resignation, Mr. Field wrote:

"To the Honorable Board of Selectmen

Dear Sirs:

This coming from me to you is certainly no surprise, I'm sure, but here goes anyway:

I'm sending in my notice of resignation effective the date of my replacement by special election, whenever it is held.

I want to apologize to the very good people who backed me so wholeheartedly in my re-election, and this I mean most sincerely. I hope and pray that they haven't lost faith in me.

I have come to this decision due to many contributing factors. Mainly because I find myself nowhere near as affluent as heretofore and have found me a job that I can do well, enjoy, and the pay is OK.

However, just for the record: Whoever it is that has been printing derogatory quotations (as if I didn't know, and also, who put him up to it) in the Standard-Times has no bearing on this case, <u>period.</u> Also, it was 9:09 when I left the other night and I want it corrected. For <u>his</u> edification, I didn't meet the truck as it came the next day due to trouble. The reason I throw this in is because a letter I wrote to an editor was turned down, much to my dismay*.

I want to commend Chief Faria and his fine department for doing an excellent job in the face of harrassment most uncalled for.

I want to commend Chief Bradley and his firemen for excellent work.

I want to commend George Hall for the efficient way he has handled everything including himself on occasion.

Allen Sherman is one in a million, and I hope he has a long career ahead.

Manny Nunes cannot be compared with anyone in the 'know how' of his field, in fact.

The Board of Assessors, Planning Board, Appeals Board, Conservation, and I could go on, are the best you could ever find. And, let's not forget Mr. Mosher and Mr. Kelley. Next to my brother, you have the best Town Clerk in the USA. Your Town Accountant is positively the best, and if I wasn't prejudiced, I'd say Carol Philla was out of this world.

Gus can take care of your shellfish, and Tony Nunes your Herring. Your Wharf and harbor are in good hands, and I could go on forever. Mr. Bowman, your Tree Warden, the gang at the beach, and last but not least, Dennis Sylvia and his new Board.

In fact, the Town is in such good hands my two won't even be missed.

Most sincerely and regretfully,
Johnny Field"

*The letter referred to by Mr. Field was written to the editor of the Presto Press. It was returned because it was unsigned. Our policy, which applies to every letter submitted for publication, requires a handwritten signature. The letter was not returned signed as requested.

SHORE WORK APPROVED

The Division of Waterways has notified the Board of Selectmen that a notice of intent has been received from Mattapoisett Shores Inc. for superficial cleaning and grading of the beach which will be allowed. Any other construction work on the beach would require a license.

FINAL PAYMENT

Mattapoisett has received $3,240.92 from the Commonwealth of Massachusetts in final payment of 195 land taking. Approximately $500. has been previously received.

O.R.R.S.D. BUS MATRONS

The following people have been appointed as bus matrons for the Regional District: Bernadette Alves, Josephine Andrews, Norma Campbell, Catherine Chaples, Marjorie Fluegel, Judith Heaton and Bernice Heuberger.

TOWN COUNCIL POLICY SET

The Mattapoisett Board of Selectmen has taken action on legal service to all town departments. Heavy demand for the services of the Town Counsel Leonard Perry have resulted in the budget for the first 6 months being over expended and has overburdened Mr. Perry's time. In order to exercise control over the budget and the town counsel's time, the Board of Selectmen has establishec as policy, that all requirements for legal services must be cleared with them.

RIBBON CUTTING JULY 12

The Cranberry Area Chamber of Commerce will hold a ribbon cutting ceremony for a new tourist information booth located at the picnic area and boat ramp on the Weweantic River off Route 195. The date is July 12.

SEAFOOD OUTLET PROPOSED

Mr. Touraine and Mr. Bragdon, of the White Whale Seafood Corp., have met with the Board of Selectmen to discuss plans of their company to open a wholesale-retail seafood business at the top of Hammond Hill on Route 6 at the Lobster Pool site.

BIDS REQUESTED

Mattapoisett is now asking for bids on insulation of the second floor of the Town Hall and for repair of gutters and cornices.

WELL BIDS

The Board of Health is asking for bids on a well system to be dug on the site of the sanitary landfill.

BUS LINE WANTED

The New England Bus Company has filed a petition to take over routes discontinued by the Gateway Bus Line. The Gateway discontinued service on the line connecting Bolles Corner, Mattapoisett, to Buzzards Bay until, in their words, patronage improved sufficiently to make the service necessary. The State Department of Public Utilities has stated that the discontinuance does not affect the Gateway franchise.

ROOF BIDS

Bids have been asked for the shingling of the roof of Center School. The present roof is slate.

LICENSE FOR HOLY GHOST CLUB

A wine and malt license has been issued to the Holy Ghost Club for July 15, 1973, from 11:00 A.M. to 7:00 P.M.

BRIDGE NAMING

The Board of Selectmen has sent biographies of John Raphael, Joseph Furtado and Florence Eastman to Representative Charles MacKenzie so that he may attach them to the bill that he has been requested to file with the legislature If approved these names would designate 195 overpasses on North Street and Acushnet Road

VOLUNTEERS WANTED

The Board of Selectmen is asking for volunteers to travel to Boston to search the records of the Vietnam Korean wars for Mattapoisett veterans' names. Volunteers for one or more days are welcomed. Transportation will be provided.

LIGHTING SYSTEM INSTALLED

The new lighting system has been installed at Shipyard Park. Vandalism necessitated the mercury vapor system behind heavy screen to replace the bandstand lights which were the target of hoodlums and which will now have to be boarded up for the winter.

195 EMERGENCY PLANS

Police, Fire and Rescue teams of this and adjoining towns will meet at 7:30 on July 11th to iron out co-operative efforts on 195 emergencies. The limited access, one way roads may make it necessary for a neighbor town to respond to a Mattapoisett alarm on 195 because it would be quicker to reach an emergency from the neighbor town's access road.

for a mini bus system for local senior citizens.

Mr. Adams attended a meeting in Taunton on May 23rd in which this plan was discussed. Mr. Adams mentioned the bus in Fairhaven as an example of the kind of service which could be provided to the hot lunch program and to malls and outings.

Mr. Adams states:

"The Mattapoisett Council has not planned in its budget for local transportation service, but is studying the matter and is aware of some need, the extent of which is one of the objects of the study.

"At this time I cannot report any conclusions of the members of the Council; but as an individual I might say that perhaps our town should be giving some thought to its possible inclusion in a regional service, so that we can have some defense against being shoved into the wrong region. It seems to me that we would fit better into such a union with Marion and Rochester and perhaps also with Middleboro and Wareham than we would into a larger area."

TOWN REPORTS WANTED

The Town Clerk's office is compiling a complete set of Town Reports and find that the following years are missing. If anyone has copies of those years and would like to donate them to the town, it would be greatly appreciated: 1858, 1859, 1860, 1861, 1864, 1866, 1867, 1876, 1879, 1910, 1917, 1919 and 1923.

Auto loan sail

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car – and maybe even a boat – with a car loan from Plymouth-Home National.

HISTORY OF MATTAPOISETT

At the annual meeting of the Mattapoisett Historical Society Thursday evening, June 28th, in the museum, Church Street, the Society voted to accept Mr. Charles Mendell's offer to write a History of Mattapoisett and to make the publication of the book a primary project to raise money for during the next few years. Mr. Mendell, curator of the Society, pointed out that the Tercentenary which Mattapoisett will celebrate along with Rochester and Marion in 1979 will provide interest in the history of the town and will provide an appropriate target date for the appearance of such a book.

reports, the meeting elected officers for the following year: George Avila, president; Winfield Jenney, vice president; Mrs. Donald Fleming, secretary; Mrs. William Dexter, treasurer; Mrs. Bradford Hathaway, director for three years.

Following the business meeting the Society members enjoyed the film "Whaler out of New Bedford", put out by the Old Dartmouth Historical Society. The film was made by clever photography of the Russell-Purrington Panorama and gives an accurate and interesting portrayal of an old time whaling voyage. The evening was rounded out by refreshments served in the Carriage House by Mrs. Avila and her committee.

Barbara Carns, who comes from Dartmouth, is known as one of the finest "white" blues singers in New England. She is known for her work with coffee houses and had appeared at numerous Folk festivals, such as Fox Hollow and festivals in the South, such as Atlanta, Ga. She headed the Blues Workshop at the First Annual Eisteddfod at SMU last fall. She is currently making a record with a Boston company on which Paul Jeremiah will be accompanying her. Some people may have heard her on WCIB or at the Whaling Days Program at the YWCA this winter. She will be presenting some sea songs and other traditional music.

Jim Couza is known by all who frequent the Mattapoisett Coffee House. He is a fine performer of contemporary and traditional music. He has appeared on WCIB as well as at numerous coffee houses and has been at various Folk Festivals.

For all who come it will be a truly enjoyable evening filled with sea chanteys and other fine music.

The regular program of the day will be started by Vic Wutherspoon of Middleboro who does a country sound. The other performers during the day will include Chris Boisvert and her "gang" who sing in a fun contemporary-folk style; Bob Demers with his great instrumentals; Doug Downey from Boston, Steve LaValley, Bitsey Michaud, David Peterson, Janice Canto, otherwise known as the "Portuguese Nightingale" for her beautiful traditional singing; Albert Trahan and Mark Simon. There will be others and there may be a chance of some good old-timey jug band music. So, come to the Festival and enjoy the sights, but keep an ear open for some great music.

John Field's Decision

Editorial, D.C.J.

John Field of Mattapoisett Neck is doubtless the most knowledgeable native son of this town. Last year, two out of every three citizens of Mattapoisett re-elected him to serve on the Board of Selectmen. This wide margin of victory was doubly impressive because of the excellent quality of Mr. Field's opponent. People just recognized that John Field provided a wealth of information for the Board to draw upon. They knew that he served, truly, in the best interest of the town, and that this man could always be trusted and relied upon.

Mr. Field's decision to resign from the Board of Selectmen bears out that trust in every respect. No one knows better than John Field that the job requires availability and a first hand familiarity with events as they happen. In his absence from the town as he tried out his new occupation, Mr. Field kept in daily contact with the Selectmen's office by phone. Only physically was he out of contact with current events. But physical contact with townspeople and with board business meetings are a vitally important part of the job, and recognizing this, John Field has relinquished the office which he values greatly. The people who voted for Mr. Field would be astounded if he had acted in any other way. In his letter of resignation, John lavished credit upon others in the town government while minimizing his own contribution and importance. This also is so typical of this man. We all know better. No man will ever hold his seat who has more interest in this town or will work harder in the interest of its people. Mr. John Field's contribution in leadership is widely respected not only here but in neighboring towns as well. His career as selectman and in town service has been in the most progressive period of the town's history and its most difficult in terms of orderly growth.

The town recognizes the difficulty of Mr. Field's decision to step out of a position in which he won so great a respect and trust. Townspeople also recognize that this move is in character as John always put the town's interest first. We all wish him well in his new occupation which necessitated his absence and the decision to resign. No mat-

Letter to The Editor

I am Mary's Pond, and I have been here since the glacier left me. For hundreds of years Indians hunted along my banks and fished in my waters. I gave life, and in turn was allowed to live. The springs which welled up in me from deep underground were pure and sweet.

I am small and round. I am like a single eye which looks out at the world. How it has changed!

I remember farm boys who bathed and splashed in my waters. I remember the wheel of the buggy on summer evenings. I remember young men and girls dipping their silent paddle in my waters. I was still allowed to live.

And now?

Now.

People who say they love me come to picnic on my shores. Behind them they leave trash, glass cans, refuse. My woods are polluted with their leavings, and so are my waters. Cigarette butts float on my surface and so does oil. Speed boats careen on me with their noisy screams.

People who pass by, only pass. They say, "Too bad, such a lovely place."

Was I made for this?

He was brought home from Florida via Delta Airlines to pass his final days at home. The personnel of Delta went way beyond the normal friendly service to arrange the flight and to make it comfortable for Mr. and Mrs. Trocchi.

JULY FOURTH RACES AT MYC

After an extended period of fog, drizzle and lashing rain, Wednesday, July 4th, proved to be a most pleasant sailing day for the 1973 racing opener at the Mattapoisett Yacht Club. A steady 10-12 mile south wind sped the divisions on their way, with sky slightly hazy and temperatures warm.

Beetle Cats, Herreshoff 12's and two cruising classes participated, the latter vying for the prized J. Lewis Stackpole Trophy and the Charles H. Whalen Memorial Trophy.

The slate of winners included Lauri Jenney, Ann Donald, Dick Macomber and Fred Klein.

At 10:30 A.M. the over 26' Cruising Class started their 15.9 mile course, which took them to Black and Red Nun three miles northwest of Quisset Harbor, to Bow Bells Black Can 11, to Nyes Ledge Black Bell 9A, and return. Fred Klein at the helm of Apotheosis finished in 3:50:50. Syrena, Ed Cornish skipper, had the misfortune to spring some planking and to take on water, thus delaying its return. The J. Lewis Stackpole Trophy in consequence went to Klein.

The under 26' yachts were assigned a 12.4

mile triangular course to Black and Red Nun three miles northwest of Quisset Harbor, to Angelica Point Red Nun 2, and return. On corrected time Dick Macomber's Seacomber came in 0:14:49 ahead of Sue McGowan's Gryphon, and in so doing became the recipient of the Charles H. Whalen Memorial Trophy.

At the beginning of the Herreshoff 12's race, all signs pointed to a very close contest, as the lead zigzagged back and forth on the first two legs. Then confusion took over, and markers began to be rounded incorrectly. Mrs. Anne Donald in Minnow was the only one in the fleet of four to sail the proper course and was declared the victor.

In the Ladies' Race Laurie Jenney's Ariel soon took the initiative and continued on to win handily over the other three Beetle Cats. Joan Cornish's Baby Jo was second, and Valerie Putman's Paddington third. The course was a shorter one: to Sunken Ledge Black Can 5, to Crescent Beach MYC Guide Buoy, to Barnard's Wharf MYC Guide buoy, and back to Ned's Point.

SENIOR SATURDAY SERIES

Series racing is now in full swing at the Mattapoisett Yacht Club. The first to be scheduled was the Senior Saturday Series on July 7th, with two classes in competition.

It was a typical Buzzards Bay southwest day, with sunny skies, moderate seas, coupled with winds at 10-15 miles and almost endless visibility - in other words, perfect sailing weather.

The Beetle Cats seemed to take full advantage of it in their double header, for, from the starting gun on, tight duels for the top positions developed, exciting all the way. In the first race Dave Jenney in Ariel managed to keep out front, crossing the finish line 45 seconds ahead of Jim Barnes' Gay Lee Ann. It was turn about next time and a real seesaw affair. At the end Barnes was the winner with only two seconds to spare, Jenney trailing. In each, Jim Broadwater placed third.

The courses summed up this way: (1) to Mattapoisett Neck MYC Guide Buoy, to Barnards Wharf MYC Guide Buoy, to Molly's Cove MYC Guide Buoy, to Ned's Point MYC Guide Buoy and finish; (2), to Mattapoisett Neck MYC Guide Buoy, to Ned's Point MYC Guide Buoy, back to Mattapoisett Neck MYC Guide Buoy and finish.

Something new at MYC - a race for planing hull boats! It was an interesting sight to watch the speedy little craft in action, a 470 and a 420, handicapped by the Portsmouth Number System. Harvey Pentleton, skippering the 470, bested Kevin O'Leary in the 420 by a margin of 17 seconds on corrected time. The course was similar to the one followed by the first Beetle Cat race, but with one added marker, back to Mattapoisett Neck MYC Guide Buoy again.

MYC NOTES

The Mattapoisett Yacht Club hopes to see more planing hull boats racing next Saturday, July 14. Time: 1:30. You are invited to come out and give it a try.

Junior Wednesday Series will start Wednesday morning, July 11th.

First race in the Evening Series will be held Wednesday evening, July 11th, at 6:30.

Art Center Classes

The Marion Art Center announces Summer Art Classes for all ages: drawing, painting and clay modeling will be taught on three levels. Young children will meet on Monday and Thursday mornings from 10:00 to 11:30 A.M. Older children and young teens will meet Mondays and Thursdays from 3:30 to 5:00 P.M. A Wednesday evening class will be offered for teens and adults from 7:00 to 9:30 P.M. All classes began July 9th and will last five weeks. Most materials are included in the fee.

Instructors are Gerda Andrews and Mike Parker. Mrs. Andrews has had years of experience working with children and recently had a one-woman show of her own drawings at MIT. Mr. Parker is an experienced artist and father of two children. He is a student at Swain School and is looking forward to this teaching opportunity.

Weaving will be offered for the first time this summer during the month of August. Carole Lipsett will instruct this class. Weaving techniques will be taught primarily on the frame loom. Students will learn the simple steps required to make their own looms. Another feature will be the combination of macrame, crochet, and twining incorporated into the general instruction of use of materials, textures and colors. Beginners will receive a sound foundation in the basics of weaving. Intermediate students will have a chance to increase their knowledge and to strive for effects that are raised from the weaving surface for a three dimensional effect.

Registration for the weaving classes must be done by July 24th. Classes will be Tuesday nights from 7:30 to 10:00 P.M. beginning July 31st thru August 21st or Thursday nights at the same time from August 2nd thru August 23rd. A small materials fee will be charged plus the regular fee.

For information and registration stop in at the office at the Marion Art Center during gallery hours (1 to 5 P.M. except Mondays) or call 748-1266 or 748-1035.

Honors for J. Goodenough

LOCAL STUDENT GRADUATES SUMMA CUM LAUDE FROM UNIVERSITY OF VERMONT

Dr. and Mrs. David S. Goodenough of North Street, Mattapoisett learned recently that their son, David Jonathan, was graduated summa cum laude from the University of Vermont in October 1972. The delay in announcing his receipt of a Bachelor of Science degree had to do with the fact that Jon, as he is known by friends in Mattapoisett, was the second student in the history of the University of Vermont to be permitted to enter the medical school after only three years of undergraduate studies. He entered medical school in September 1971 and did not obtain the requisite course credits for his degree until October of last year. A Dean's List student, Jon received an award during his first year as the "Most Promising Student in Chemistry in the Freshman Class".

Receiving honors for his ability as a student is no new experience for Jon. During his four years at Tabor Academy, he was a yearly recipient of prizes for his scholarship in mathematics, science, Latin, French and naval science. He graduated first in his class in 1967 and was named as an English Speaking Union exchange student. He spent the 1967-68 school year at Oundle School in England where he further excelled in mathematics and science. Jon returned to this country and entered the University of Vermont in the Fall of 1968.

At this time, Jon has not decided definitely which branch of medicine he prefers, although he is leaning towards pediatrics. Although modest about his past achievement, Jon's goals remain high. His lifelong ambition has been to eventually earn a Nobel Prize for original research, possibly in the field of cardiovascular disease.

Jon has two sisters, both of whom graduated from Old Rochester Regional High School. Marsha Lee Lorraine now lives in Howell, Michigan. Kriselyn enters her senior year this fall at Central Connecticut State College where she has been active as a student leader and this past year has been president of the Pan-Hellenic Society. She was the Cranberry Bowl Queen in 1969. Jon's mother is manager of Brooks Fashion located in the North Dartmouth Mall and his father is Chief Psychologist at the Brockton VA Hospital.

PRESENTED WITH AWARD

Mrs. James Hoff of Point Connett, Mattapoisett, was given an "A" award by the judges of the Historical Society of Early American Decoration, Inc. at the Spring meeting held in Baltimore, Maryland. Her coffee pot, which was exhibition, was considered to be a faithful r presentation of country painting done in this country during the early 19th century.

LOFT SCHOOL HAS OPENINGS

The Loft School of Marion, Inc. has a few openings in the two-day a week three-year-old program for the 1973-74 school year.

As an independent cooperative school, the Loft offers an opportunity for parents to participate in the child's education and to observe the youngster in a way not always possible through a regularly scheduled rotating mother-helper (fathers are welcome too) system.

A varied program of creative arts, play activities and field trips as well as music, rhythms, dance, games, literature, and playground activities are combined with learning and social skills.

Mrs. Burnham Goddard and Mrs. George Evans teach three-year old classes, and Mrs. Norman Converse and Mrs. Peter Briggs, four-year-old classes.

For registration form or information, phone Mrs. William Bradford, 748-0348.

FISH Volunteers Needed

With summer vacations here and FISH volunteers moving out of state FISH is in need of new telephone volunteers. Whether you are a summer resident or a new year round resident FISH would appreciate anyone giving one day a month to answer the FISH telephone. You stay in your own home and when the FISH answering service receives a call - for transportation, meals, baby sitting, etc. she in turn calls you, the volunteer for that day. The volunteer is supplied with a complete list of FISH volunteers whom she calls to supply the needed service. Anyone willing to donate one day during July or August or for the year are asked to call Ann Briggs at 2611 or Norma Holt at 4986.

Grange Fair

Granges all over the State are thinking of its annual Agricultural Fair, some very big, some big and medium and then there are many small Fairs, but all sizes require a great deal of planning and work.

Mattapoisett is one of the planners and are hoping to have a fine Fair.

So far, it is planned to have it in August with a supper on Friday night, the 24th, at 6 P.M., and on Saturday, the 24th, the Fair will open at 3 P.M. Anyone is welcome to exhibit in this Fair with the surety that vegetables, flowers, canning and sewing has been done by the person themselves, in the past 12 months.

Judging will be on Saturday from 12 noon to 2 P.M. More information will be given each week.

The committee in charge is as follows: Mildred LeBaron, chairman; Mark Harris, co-chairman; Susan LaFleur, secretary; William Smith, Leonard Randall, Barry Denham, Earle Wilson, Dennis Sylvia, Dorothy Harris, Bernadette Alves, Marguerite Vaughan, Rita Dunn, Mary Costa, John Field and Ruby Barber.

Please put the dates, August 24 and 25, on your calendar. Members of the Grange are great workers but they could not do it if it were not for your help. More later.

PROGRAMMING ERROR

A programming error caused the alteration of some grades on the year end report furnished to parents from Honors to NC at Old Rochester Regional High School. The report for quarters 1 and 2 in Industrial Arts, Home Economics and Art and P.E. in the junior high school which were initially reported as "Honors" were displayed on the final report as "NC". The grades were not changed, a programming error responsible for the display will be corrected. The records on file at the school and any transcripts ordered furnished to other institutions will reflect the proper grade. The high school wishes to apologize to the students for the inconvenience.
